MacKenzie Management Company, LLC is a full-service property and asset management provider specializing in the management of office, medical, retail, industrial, mixed-use, and multi-family properties. Drawing on more than 50 years of experience, our organization currently manages more than 225 projects, comprising nearly 10 million square feet of space throughout the Baltimore Metropolitan area. Our strategies, supported by our dynamic corporate structure and the vast capabilities of The MacKenzie Companies, result in customized, full-service plans tailored to your portfolio's unique needs and range from all-inclusive asset management to versatile à la carte services that complement existing divisions.
